Maiden Gully Primary School

2017 SPONSORSHIP Program

Dear Sir/Madam

Maiden Gully Primary School is located on a main arterial highway, Calder Highway, west of Bendigo. Maiden Gully is an identifiable community within a 'high growth corridor'. The school has an enrolment of 556 students which consist of over 380 families and 45 staff.

In 2017, our fundraising goal is to the improvement and development of our outdoor learning environments. This includes the playground complexes and adjacent areas, additional eating areas and additional seating.

Our aim is to provide our students with attractive outdoor learning spaces which incorporates a pleasant feel all year round. These areas will also include features to encourage passive and moderate play as well as being an area for teachers to take their classes during learning time.

We would like to offer a twelve month advertising opportunity through our school's "Sponsorship Program." With the number of families, a rapidly growing local community and passing traffic, your business would gain high exposure in the Greater Bendigo region.

Please find enclosed the outline of our Sponsorship below.

Should you wish to discuss our sponsorship opportunity further, please contact me on 5449 6429.
